

CONNECTING CLASSROOMS

Join an international community of motivated teachers committed to helping young people develop the knowledge, skills and values to succeed in a globalised economy.

PROFESSIONAL PARTNERSHIPS

Use our online tools and resources to connect digitally with teachers across the world.

2

3

PROFESSIONAL PARTNERSHIPS VISIT

1 week

With £3,000 grant funding, travel with a school leader to Africa, Asia or the Middle East to visit and work with a partner school.

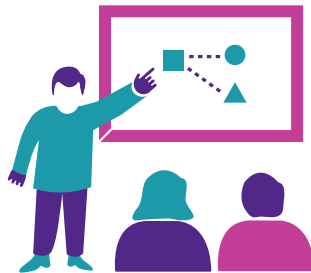

CORE SKILLS COURSES

1 term (incl 2-3 workshops)

Complete a fully-funded course, online or face to face. The course will equip you with the knowledge to embed the core skills in your school.

1

4

COLLABORATE WITH YOUR PARTNER

3 months

Complete a template project, giving you a practical opportunity to support children to develop a core skill, in collaboration with an international partner.
