

The International Development Education Association of Scotland (IDEAS).

A network of organisations and individuals involved in Development Education and Education for Global Citizenship across Scotland.

Young Citizen Advocates

To inspire and encourage young people to take a leading role in issues of interest to them, locally and globally. Using the SDGs as a starting point and focus.

Young people to identify what they would like to see/do in their community/the wider world.

Create 'youth advocates' to inform and shape the Year of Young People in 2018.

Let's have REAL equality!

We are all different ..

.. but no one is better than anyone else!

The Pledge

- To make pupils aware that they have a voice and encourage them to use it !
- Raise awareness of immigration and refugees and how school can help welcome others into our communities.

Teacher SDG Networks

- **Series of seminars from September 2016 – June 2017 for teachers**
- **Input from Oxfam and SMP**
- **Seminars focussed on specific goals: climate action, responsible consumption, no poverty and more**
- **Guest speakers / experts**
- **Discussion, resources, classroom ideas**

Impact report

- **An increase in teachers ability and confidence to teach and share the materials from the seminars.**
- **Pupils were reported to be more engaged and knowledgeable on the issues.**
- **More than half of the survey respondents reported having already used the ideas or resources from the seminars in their own practice.**

Impact report

- **Continue the seminars and more sharing good practice events**
- **Better marketing and promotion to engage more teachers**
- **More support needed to develop whole school approaches and reduce the ‘support gap’**
