

## RCE Global Webinar

### ‘Achieving the Sustainable Development Goals: action through learning in a time of global crises’

08.00 – 10.00 GMT on Thursday, 4<sup>th</sup> February 2021

In Autumn 2021, both COP26 and the 12<sup>th</sup> RCE Global Conference are coming to Scotland.

In advance of this, the Global RCE Service Centre and RCE Scotland are delighted to invite you to the first of two pre-Conference webinars on Thursday, February 4<sup>th</sup>, 2021.

Together, we’ll build on and further strengthen our Global RCE Network: collectively sharing, exploring, exemplifying and enabling the translation of our knowledge, skills and values into tangible, real-life activity that will help to build the capacity to bring about, embed and sustain the changes required in the global transition to a better world.

Please read on to find out more.

We look forward to seeing you at 08.00 GMT on Thursday, 4<sup>th</sup> February.

## Overview

### 1. Why are we holding this webinar?

This webinar will:

- Act as the first of two ‘bridge’ events (the second to be held in June 2021) between the 2020 RCE Regional Meetings and the RCE Global Conference in Autumn 2021; with the purpose of enabling and sustaining collaborative conversations across the RCE Network
- Have a particular focus around the new [UNESCO ESD Roadmap](#) and its role in supporting the concept of ‘action through learning in a time of global crises’ to progress action on the SDGs
- Offer opportunities for delegates to find out about the latest activity in other RCE Regions & hear an update from the Global RCE Service Centre
- Showcase initial ideas for the next RCE Global Webinar and the 12<sup>th</sup> RCE Global Conference
- Offer delegates an opportunity to submit their ideas for the content of the next RCE Global Webinar and the 12<sup>th</sup> RCE Global Conference
- Offer a new mechanism for delegates to connect and share with one another on an ongoing basis.
