

The 12th Global RCE Conference

'Achieving the Sustainable Development Goals: action through learning in a time of global crises'

16-18 November 2021

There has never been a more urgent need for the combined skills and knowledge of the global RCE Network.

Our world is at a crossroads. The climate and associated biodiversity crises, human rights abuses, and political inertia are now evident across the planet.

This conference will:

- **Enable and sustain collaborative conversations across the RCE Network**
- **Share and celebrate good practice regarding action through learning from across the RCE network.**
- **Explore, beyond COP26, how to strengthen action on the UNESCO ESD for 2030 agenda in the context of the UN SDGs**
