 Inspired by William Kamkwamba, #DPSP6H showed lots of creativity designing and building windmills by upcycling materials #ThisIsLfS

 **Dunblane Primary** @DunblanePrimary
 Today P5A made flags to help tackle some of the inequalities shared in "When Stars are Scattered" They have used this global goal to focus lots of interesting class discussions surrounding equality #DPSP5A #ThisIsLfS #SDGs

Developing LfS across our *campus*

- Sustainability Squad leading projects taking action on the SDGs across our campus
- Making more ethical and equitable choices when purchasing resources.
- Creating Pollinator Patches - Developing the biodiversity within our school grounds
- Soft Plastic Recycling
- Using more sustainable resources
- Growing our own vegetables
- Pre loved uniforms, books, costumes and christmas jumpers etc
- Seeds for Sustainability - sharing seeds with our community.
